Meal Expense Seminars

As part of our mandate to better educate our members we will be running the first of a series of seminars on Collective Agreement issues. This month we will be presenting information on meal expense entitlements. Topics covered will include how to read your pay summary, domestic and overseas meal entitlements, special meals, and how to claim.

Interested members should bring their own pay summaries to follow along. Prior to the seminar, members are encouraged to review the information provided by the company on how to read your pay summary. This can be found by logging on to ACAeronet > My Tools > Epub > Administrative Procedures > Pay Summary.

Information on meal expense allowances can be found in Article 7 of the Collective Agreement and the Memorandum of Agreement re: Overseas Meal Allowances on our local website www.local4092.ca.
