

LOCAL 4092 – MARCH 2005 BULLETIN 1

Telephone: 906-676-4293 Email: office@local4092.ca

Hello and Thank You all for reaffirming our belief that it is time for a change – time to:

- Use technology to keep you better informed
- Communicate with you in regularly issued local bulletins
- Post minutes of local meetings on the website
- Make flight and pairing fact sheets available, both online and at the airport

We will implement our campaign promises as soon as possible.

Firstly, the office hours have been posted on the CUPE door and on the CUPE bulletin board in the communications centre. We will also add them to the website once the site is reconstructed.

Secondly, we believe it is time to save both paper and money vis-à-vis local bulletins. Simply fill out the form below and you will receive locally produced bulletins electronically. Drop the form off in person at the CUPE office, or put it in the CUPE box in the communications centre, or email us at: office@local4092.ca.

Do you want to help? There is always a need for members who are interested in participating in the local. Your commitment can be as small (distributing union literature) or as big (committee work) as you would like. Please let us know if you'd like to assist in any way.

We are here to serve you.

In solidarity,

Cidalia Ribeiro
