## CLARIFICATION ON SICK NOTES DURING BID PERIOD

We received several queries on this issue stemming from Bulletin #12. Please note the following:

Sick notes are only required if at time of bid closure you will be have been off for more than 14 days. As an example: if the bids close on the 20<sup>th</sup> and on that day you will have been off for 15 days or more, then you **MUST** attach a medical note. Please be aware that any extensions to PBS bidding may impact your need to provide a medical note.

If you are uncertain about the need for a medical note please contact Planning or the local union office.

I apologize for any confusion that this item in Bulletin 12 may have caused.
