May 2015: **Have you been harmed by 1:50?**

1) The fight against 1:50 is far from over but our legal team still needs our stories. This is not just about loss of safety & salaries, it's about stress levels, days worked, family issues, burnout, retirement savings, etc.

Your task: Invest 15 minutes now to improve your future! We've developed a web form to gather the needed information; all you need to do is complete it.

Whether you're a new FA, or you have 35 years, we need your input.

**[Please click here to fill out the form](#)**

*It may just be the most important thing you do this year!*

2) Our EAP (Employee Assistance Program) colleagues need everyone to update your emergency contact information on the company's HR site. Please ensure your cell phone is not listed as your emergency contact number, this should be a trusted friend or relative's number.

**May 31: International Flight Attendant Day**

**Juno nominees: In-Flight Safety at "The opera House" in YYZ**

**Free tickets available, but you need to move fast!**
