A description of the mysteriously yours experience:

Arrival is from 6:30 for a fabulous three course dinner that you order from our menu. You have a choice of salad or the soup-of-the-day. There's a choice of four main courses, including: chicken, fish, beef or a Vegetarian dish. There are two incredible desserts to choose from, and coffee and tea.

The mystery itself begins around 8:00 pm. The actors enter "in character" and mingle with the guests. (They schmooze with them.) You find out who the characters are, how they relate to each other, and the theme of the mystery. Then, someone you've just met dies, or a body is discovered and a detective is called in to investigate. He leads the questioning of the suspects and you get to question them as well ... because they're spread throughout the room, they sit right at the tables with you. So, you get to participate and try to help solve the mystery and see if you can figure out whodunit! It's a lot of fun! The show runs to about 10:30 PM.

Our Mysteries are based on familiar themes with lots of comedy, intrigue and audience participation. Prizes are awarded to some of the guests who correctly solve the mystery.
