Dear Members,

We are writing to let you know that we fully understand how difficult the waiting and wondering is with the myriad questions that you have relating to the Canada Emergency Care Benefit (CERB) and Canada Emergency Wage Subsidy (CEWS) programs.

We want to let you know that we continue to have talks with the employer to ensure that the interests of the members are fully served. These talks continue and will continue throughout the Easter weekend, as required. We promise you that as soon as there is information to share you will be the first ones privy to it.   We fully understand that this requires patience on your part and thank you for your ongoing support.

You want answers. We want to provide clear and comprehensive answers to all of your questions. These will follow as soon as they are available, including over the weekend as needed.

In solidarity,

Wesley Lesosky
Component President

Theresa Mitchell
Component Vice-President

Alex Habib
