

COVID-19 Mitigation Programs - Jun2020 - Bulletin 1.0

*****This is an important bulletin, please read through it completely*****

PBS bidding for the month of June has been delayed and we will send out a bulletin as soon as we are aware of the new bidding dates.

This morning at 7.36, AC released their UNIVERSAL MITIGATION PROGRAM.

After many requests from the UNION to get the actual surplus numbers, **the company has again failed to provide those numbers to the UNIONS** as of this morning.

Please look at your **Air Canada email** where you will find the actual message or **click here** for a PDF copy of the message sent out by Arielle this morning.

To get to the mitigation program signup form & the up to date program options from home:

1. Log onto AC Aeronet with your sign-in info;
2. Go to myHR;
3. Click on the "COVID-19 Mitigations" banner at the top of the page;
 - o 
4. Now click on "**Mitigation Program 2020**" - This will take you to your signup form where you can register.
5. **If making a selection, ensure:**
 - o **Your name and employee number show at the top right corner of the screen;**
 - o **You click the "Submit" button at the bottom of the page to record your selection.**

To read the actual program options (& details)

There are two (2) sets of PDF documents that outline and give the details of the mitigation options being offered by the company, these are accessible from the mitigation signup form

First follow steps 1-5 above, then from the mitigation signup form:

- Scroll down & click the two areas of the form which say "For more details, please click here"
 - o The link under "Special Leaves of Absence/ Mini blocks" highlights all options available.
 - o The link found under the "**Retirement/Resignation**" heading gives more details on retirement and C3 pass options.

Make sure that you read both documents carefully and that you keep a copy for your records.
